

The Creels Autumn 2021 Prayer Letter

“Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age.”
Matthew 28:19-20 (NKJV)

When speaking at churches, we often share these verses. These are the last words that our Lord and Savior Jesus Christ spoke before ascending to the Father. These words express His heart – that all the nations would have the opportunity to know Him and become His disciples. But in reality, after 2000 years, we are still far from reaching this goal. At present, over 3-billion people have yet to hear the Good News of salvation through Jesus Christ. This is the reason for FEBC – to communicate the Good News among the nations...until every man, woman, and child has heard the Gospel of Jesus Christ. Thank you for your partnership in making this possible!

In recent ministry news, David has been assisting our staff in Cambodia and Malawi in correcting some FM interference issues by specifying, sourcing, and purchasing bandpass filters. Please pray for safe/timely delivery of the filter for Malawi and for wisdom in resolving the issues in Cambodia.

FEBC CAMBODIA TRANSMITTER

David has also been assisting FEBC Kyrgyzstan in obtaining an audio processor circuit board to replace one that failed in their transmitter in Toktogul. The

pandemic and the worldwide shortage of electronic components has delayed the manufacture and delivery of this circuit board. Please pray for the Lord's intervention and favor so that this circuit board can be completed and delivered to Kyrgyzstan soon.

In addition, David has been assisting FEBC Philippines with obtaining some hard-to-find obsolete parts for their international shortwave radio station. These parts are needed to keep the broadcasts on the air to much of Southeast Asia. Please pray for wisdom as David works with fellow missionary, Bob Springer, to make the international shipping arrangements.

FEBC PHILIPPINES SHORTWAVE TRANSMITTER

FEBC PHILIPPINES TECHNICIAN REPLACING PARTS

As we have reported in previous prayer letters, many of FEBC's fields continue to struggle with the challenges presented by the Coronavirus pandemic. Those challenges are particularly being felt in Myanmar. Please pray that God will continue to bless and guide our efforts to reach Myanmar, despite the continuing military coup severely impacting the country. FEBC broadcasts currently reach several people groups, many of which would otherwise never hear the Good News.

LETTERS FROM FEBC LISTENERS

"I began studying the Bible through FEBC radio. Whenever radios were being distributed, I would take several to my village but there were never enough. So now everyone in our village listens together, just to be able to hear your programs. Thank you!" (Hmong listener from Southeast Asia)

"I give thanks to God for the opportunity to allow me to worship God and listen to many encouraging programs on Krusa FM (FEBC Cambodia) every day, even though the church is not yet open due to the Covid-19 pandemic. His grace gives me courage to stand firm in the faith

and rejoice in what God has given me in my old age. By listening, I experience spiritual victory...May God bless the Krusa FM's staff." (Listener in Cambodia)

"I have been listening to FEBC Mongolia since the radio station was launched in our province. In that time, a Galcom radio was given to me. The radio is

simple and easy to use and charge by solar. I and my daughter often listen to your Gospel program called 'Factual Discussions.' This program is one of my most favorite programs. We love hearing about those people's true-life stories and experiences. I've been

attending the congregation since 2009. But due to the pandemic, the churches are closed. Thank you for airing such as effective and useful programs in our daily life." (Listener in Mongolia)

PRAISE & PRAYER

- Praise the Lord for the tremendous increase in response to our broadcasts during the pandemic.
- Pray for the FM interference issues in Cambodia and Malawi to be resolved.
- Pray for the needed parts to arrive to complete the manufacturing of the circuit board needed by FEBC Kyrgyzstan.
- Pray for wisdom in shipping hard-to-find/obsolete parts to FEBC Philippines.
- Pray for the Lord's intervention in Myanmar, and for believers to be strong in the Lord.

In closing, we want to thank you for your faithful prayer and financial support of our ministry with FEBC. Truly, you are a valued partner as we proclaim Christ to the unreached "until all have heard." Thank you! May God bless you, keep you, and abundantly meet your needs.

In Christ,
